Good Afternoon,

My name is Alexander Caiozzo, Landscape Architectural Associate with the Bureau of Street Services, Engineering Division. I am the City project lead for the plan check, coordination efforts and overall review of the Westside Extension/Purple Line Project landscape, tree and maintenance issues.

If possible, can we speak over the phone so I can gain some clarity on the different maintenance entities in the area (Assessment Districts/BIDs etc) and the overall responsibilities of each?

Please give me a call at your convenience. I am in the office til 5:00 pm today and back tomorrow at 7:30 am.

Thank you,

Alexander J. Caiozzo
